Subject: 2022 Summer Swim and Dive Team Schedule and Pool Reservations

Our 2022 Swim and Dive Team schedule has been finalized with the Northern Virginia Swim League. The swim team will host 3 home NVSL A swim meets and the dive team will host 3 home NVSL dive A meets. We are not hosting Relay Carnival or Divisional for Swim or Dive this year. This year we are requesting three Monday night B meets (two for our team only, known as “blue/white” meets, and one where we will host another team. We also plan to host a B meet on Monday, July 4, during normal morning practice time. This is consistent with last year, where we hosted two “Blue/White” meets and two B meets against another team. Unlike last year, we are only requesting 3 Monday nights instead of four. Last year, we originally requested 5 dive meets (Tuesday or Thursday) but ended up only hosting 5 and updated the memo after the season started to reflect this. This year, we are requesting use of the pool for 5 dive meets.

Like last year, we are also requesting to keep expanded afternoon times for practices that are held during the first 2 weeks of the pool season (May 31st to June 10th) from 4:30pm-7:30pm to 4:00pm-9:00pm to allow more sessions and less swimmers per session for social distancing. In addition, we found that last year this arrangement provided a safer and more productive arrangement for the youngest children to avoid having to fit multiple age groups of children into the same practice. It is our understanding that usage at this time of the year is lighter, and that the Oak Chase pool can easily handle the demand from the community.

Below is, to the best of our knowledge, the swim and dive schedules with required pool dates, time and locations, as of May 1, 2022.
